About Us

CLICK N BUY Trading is one of the largest wholesale and retail outlets located in Qatar. The company was launched in 2019 to deliver the best products at affordable prices to its customers, such as groceries, household items, food products, home appliances, cosmetics and electronics. It is more convenient to buy products through the CLICK N BUY's website and we guarantee the safest and quickest delivery of each product. We have taken an oath to serve our clients in a way that suits their needs. Each product gets listed on the website only after the levels of quality checking. It involves both machine inspection and human inspection. It is our supreme objective to ensure the quality of each product we sell through our platform.

Our digital platform is more convenient and adaptive and can list the item you are looking for in a matter of seconds. The products, in particular, the edibles listed on our website are imported from various places like India, China, Turkey, the Philippines and other top international markets around the world. Products from those countries are largely popular and certified in their markets. we maintain these quality standards here too and deliver the items bought at your doors with all safety and hygiene measures. CLICK N BUY aims to be the best service provider for your needs and we will always be there for you in just a mouse click away.

Our Mission

CLICK N BUY is not in competition with other market participants. We compete with ourselves, to fulfil our duty to serve the best to our customers at an affordable price with faster delivery".

Our Vision

Yes, CLICK N BUY aims to be the best and most reliable source for your everyday requirements. We plan to expand our service across Qatar by the end of 2022 and expand our reach to other GCCI Markets by the end of 2024. To become the best online retail and wholesale seller in the GCCI market is our ultimate business goal and we are on a stable path to achieving that dream.

Our Brands

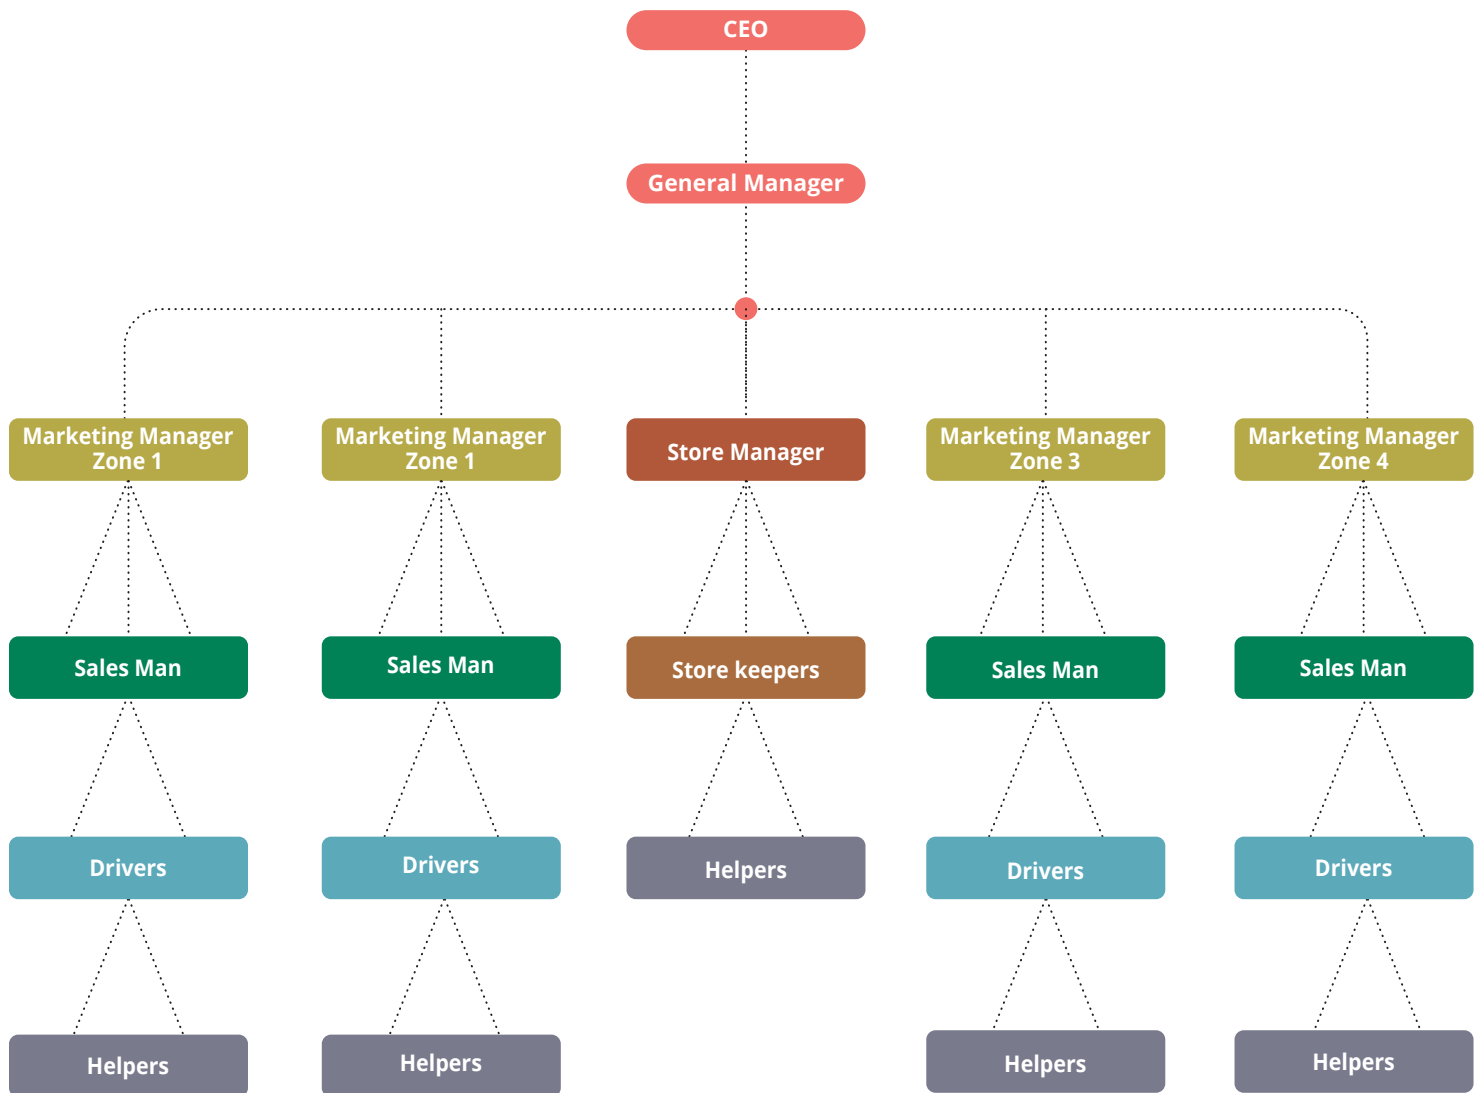

Our Business in Qatar commenced on 2009 in the name of Secnet Group, which had multiple companies under one roof handling FMCG distribution, trading, hospitality, IT services, transportation, contracting, manpower supply, etc. CNB Trading is a part of Click N Buy Trading WLL, established in 2019 specialized in retail and wholesale trading and distribution in both traditional and digital markets. Our online division is Qatar's one of most followed social media presence with more than 30000 followers. We expect to take this strong support and apply it to our growing knowledge and appreciation of the demands and trends of the Qatar market. The company specializes in the trading and distribution of quality rice, pulses and spices, oils, frozen food, packing items, cleaning items, cosmetics, electronics, etc. We also do retail distribution in our brand name CNB. These goods are provided through various distribution channels which include major grocery shops, supermarkets, online sellers, wholesalers which are just a few of our existing distribution channels.
